## Quality policy

We at Biosensing Srl will conduct our business in such a way as to:

- Meet or exceed the explicit and implicit requirements, needs and expectations of our customers;
- Comply with EN ISO 13485:2016 and other applicable regulatory requirements specific to the sector in which the organisation operates;
- Contribute to the continuous improvement of internal performance, the effectiveness of the Quality System and the quality and safety of our products to customers.
- Allow for the allocation of the necessary resources to achieve our established objectives.
